Kiss N Ride As mentioned in last week's update, our Kiss N Ride format has changed. Until further notice, only the Eastern loop (Kirkland entrance) will be open for morning drop-off. The North loop is now a designated bus zone.

Thanks to all for your understanding of this important safety update.

Recess Mask Practice All students are being directed to wear their mask during recess. Students may take a "mask break" during recess as long as they're at least 2 meters away from their peers.

Wolf Wednesdays Our student council will be coordinating a series of school spirit days that started last Wednesday. Our next Wolf Wednesday will be on December 2nd, it will be Jersey Day- wear your favourite team/club jersey! On December 9 it will be Decade Day- dress in the style of your favourite decade! These days are designed to encourage positivity, engagement and excitement in the middle of designated weeks. Go Wolves!

Masked Singer and Dancer Our staff is busily preparing their performances for our students. Similar to the television shows, staff will record a dance or song, that will be shared in the week prior to the Winter Break. Students will have an opportunity to vote for which performance they liked best. The winners from each round will move to the finals and the others will have to unmask and reveal their identities. We look forward to a fun-filled contest!

Helping Hands Donation Initiative

Dear Families,

This has been a difficult and exhausting year and I hope this finds you and your loved ones well.

Many families in the Durham Region are struggling with significant financial implications. We see others in need and we want to help. That is why this year we have decided to team up with another local school and support some families that need an extra "Helping Hand" this year.

Williamsburg is supporting 10 families this holiday season. Our teachers have reached out to seek donations. Thank you on behalf of the many that will benefit from your kindness and generosity!
